EXPERIENCE

★ Real Thread 12.2022-Present • Senior Mock-up Artist

Creates designs and mock-ups which accurately depict how a design will look when printed. Manages several projects at once and completes them within the set deadlines. Collaborates with teammates on a daily basis to help make designs the best they can be. Works in both a remote and in office environment and is easily able to communicate with other teammates and departments.

★ Sarah Silver : Photographer/Directer 01.2026-Present • Illustrator & Graphic Designer - Holiday Card Design

Designed custom holiday cards from initial concept development through final production. Collaborated closely with the client through multiple design iterations to develop a final concept that aligned with their vision and specific brand guidelines. Prepared artwork for professional physical printing while also creating a digital-ready version for online distribution.

★ Freelance Illustration 07.2026-08.2026 • Illustrator & Graphic Designer - T-Shirt Design

Developed a custom t-shirt graphic combining hyper-realistic illustration with refined graphic design. Worked closely with the client to translate their vision into a polished, production-ready design, maintaining clear communication and providing updates throughout the creative process. Successfully refined the artwork through feedback and delivered the final piece within a short turnaround.

★ Freelance Illustration 07.2023-09.2023t• Illustrator & Graphic Designer - T-Shirt & Logo Designs

Created a series of custom t-shirt graphics and logo designs, combining illustration and graphic design. Collaborated closely with the client to develop concepts and bring their vision to life across multiple designs.

★ ASAP Screen Printing 08.2021-11.2022 • Illustrator & Graphic Design Specialist

Lead in the design, development and implementation of projects ranging from logo designs to detailed illustrations and graphic layouts. Manage up to 12 projects at a time while meeting weekly deadlines. Collaborates with clients on a daily basis to manage projects and expectations. Works in an in-house environment with a group of other artists. Responsible for delegating projects to the department. Strengths include great communication skills and flexibility with both clients and team members.

★ Furst Bros Co. 09.2020-08.2021 • Graphic Design Specialist

Created unique digital advertisements for new products and projects that exceeded expectations. Prepared layouts, drawings and determined styles, size and arrangements of graphics.
